

# NSS ACTIVITY REPORTS

## (2014-2019)

### 3.4.1 Extension activities in the neighbourhood community in terms of impact and sensitizing students to social issues and holistic development during the last five years

The University promotes regular engagement of faculty, students and staff with neighbourhood community for their holistic development and sustained community development through various activities. Every year, NSS Unit and various departments of our college conduct various activities under which the students and staff participate voluntarily in community based services with neighbourhood.

1. More than 5 **Blood donation camps** have been organized by the NSS Unit of the college with the support of IMA Thrissur, to ensure the participation of students in life saving activities and it.
2. Visits to orphanages are organised and funds are collected to gift necessary items
3. Classes are conducted for school students on Disease awareness, organ donation, Design thinking, career guidance.
4. As a part of science popularization program regular school visits are conducted in promoting engineering subjects, waste management awareness and students are invited to participate in project competitions, model making, sports etc.
5. Classes are given to persons in the panchayath on electricity conservation, Nipah virus awareness etc. by faculty members
6. Training to faculty of HSS schools on introduction to MATLAB have been arranged
7. Internship programs are arranged for school students on usage of electrical equipment, LED Bulb making etc
8. Funds have been collected as a part of flood relief fund, surveys taken and essential items distributed
9. EEE Dept. organised free Motor Pump service Camp in connection with Kerala Flood relief during 1st September to 15th September 2018 at Sahridaya College of Engineering Technology, Kodakara.
10. Trees are planted on the World Environment Day to create awareness on environmental awareness
11. Awareness class by Palliative care was conducted in which faculties participated.
12. An awareness class was conducted on International day against drug abuse and illicit trafficking for the students and faculty members at the college auditorium.
13. As part of Independence Day programme an awareness class was conducted on Importance of Organ Donation After which some of the volunteers willing signed the form for organ donation for the future.
14. As per the direction from Government of Kerala for 'Lahari Vimuktha Keralam', an anti drug abuse campus club was formed in the college
15. As part of AIDS day programme AIDS awareness class was conducted for the students in the college auditorium.

Principal/Project Officer

Sahridaya College of Engineering  
and Technology  
P.B No.17, Kodakara, 680 884.

16. Charity stall was opened in the college premises for fund generation and donation to an orphanage.
17. Fire and safety class was organized at college
18. A seven days camp on "Digital Literacy", was organized. hands on training on Computer, Smart phone and Net banking usage were given to the layman. Also initiated palliative care activities joining with Susthira Palliative Care Clinic.
19. Hospital cleaning and painting
20. Students have concreted more than 15 pot holes in between Koprakalam and Sahrdaya College and cleared the surrounding of 23 street sign boards for better view for the commuters from Kodakara to Chalakudy via Aloor.
21. 60. Towards social commitment, Sahrdaya college constructed a residential house costing nearly 5 lakhs for a financially weak family at Porunnakunnu, Aloor. 61. Kerala flood relief collection point was opened and the collected items were taken to Nilambur by NSS Volunteers
22. A survey was organised at Nilambur after the flood
23. Science popularization programme was organised in which awareness of biogas plant, plastic waste management classes were given to the residents staying near the college premises.

## GANDHI JAYANTI & ORGANIC FARMING

2<sup>nd</sup> October 2018

As a part of Gandhi Jayanti celebration on October 2nd we all the NSS volunteers assemble in our college at 9am, singing the NSS song we started the program. Our Program officer Deepak sir welcomed us and gave us message on importance of Gandhi Jayanti celebration among students. Then we were divided into 2 groups an half of us cleaned both sides of the road in front of our college. The other half went for setting organic vegetable farming.

On 21 October, new NSS volunteer's from 2017-2018 batch is selected. The selection is done through same screening procedure. All the interested students with no or not more than three arrears are asked to assemble at 10'o clock at seminar hall on that day

We arranged a technical test of 30 minutes and after that we divided the students into groups having 10 members and conducted a group discussion for 30 minutes. Evaluated both the technical test and group discussion and screened out 60 students from 105 students.

Then an orientation class was conducted by the ex-program officer of Vidya Engineering College prof. Arun L

All the students attended the three sections very interestingly. The program successfully ended by 3.00 pm.

## HIGHLIGHTS

NSS volunteers and other students in Sahridaya College of engineering and technology celebrated Republic day with patriotic fervour on January 26<sup>th</sup>, 2018.

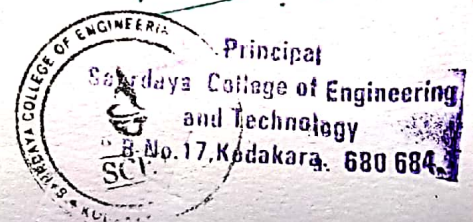

NSS volunteers and other students came forward for celebration activities held on the campus consisted of special morning assembly, flag hoisting. Executive director Rev. Fr Lasorkuttikadan hoisted the Tricolour. Principal Dr Nixon Kuruvila and Rev. Fr Thomas velakand gave a speech reminding the students and teachers about the sacrifices made by our great freedom fighters. NSS volunteer Gauthamajith delivered vote of thanks.

A march past was conducted by the NSS volunteers in the college. Sweets was distributed after the march past. An orientation program was given for the NSS volunteers and in afternoon college and premises was cleaned by volunteers.

## HIGHLIGHTS

NSS volunteers of sahradaya college actively volunteered KETCON TEKON, an event conducted by APJ Abdul Kalam Technological University, KSCSTE and Sahrdaya college of engineering and technology together. Nss volunteers along with other volunteers from sahrdaya college and other colleges volunteered for the event.

Volunteers were divided into groups and placed for needed purposes. Registration desk was handled with NSS volunteers along with escort assistance, direction assistance. Volunteers were given the task of prop design for games, events and games was controlled and coordinated by the volunteers.

A food stall was opened by the volunteers in the event. Volunteers were able coordinate food stall along with other controlling activities by proper directions of program officer Deepak joseph. Food stall got a great response from the participants of the event as the price were low and good service were provided by the NSS volunteers.

## HIGHLIGHTS

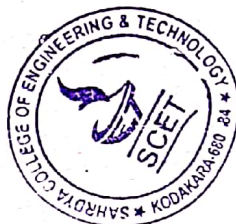

NSS volunteers of Sahrdaya College of engineering and technology in collaboration with water authority office conducted Orientation on World Water Day on march 8<sup>th</sup>, 2018 in the college campus.

The program was inaugurated by our executive director Rev Fr.Lazar Kuttikadan in presence of our principal Dr.Nixon Kuruvilla and other faculties and water authority officers. The program was conducted with the motive of spreading awareness on water users to change their lifestyle to conserve water. The class sought to make necessary action to prevent the crisis of water exploitation and pollution by making the best use of the available technology and resources to conserve the existing water resources, and convert them into usable form and efficient use of them for agriculture, human consumption etc.

## HIGHLIGHTS

On 25<sup>th</sup> March 2018, NSS volunteers commenced on a cleaning drive in ASHA BHAVAN, a charity organization residing in Mukundapuram.

Under the guidance of sir Deepak, our NSS program officer; we were divided into different groups to start the cleaning duty assigned to us. The cleaning drive commenced at 10:00 am ;with official inauguration presided by Fr.Thomas Velakanadan (the finance director of SAHRDAYA COLLEGE OF ENGINEERING AND TECHNOLOGY) as well as representatives of ASHA BHAVAN .The cleaning drive ended at 4:00 pm . clear cut instructions were provided by the VS- Ms.Neena and Mr.Gautham T.H to coordinate and conduct the drive with success.

The surroundings of Asha Bhavan were tidied up and the wastes were segregated to allow their easy disposal. Dried up leaves were put to use as manure for trees .the volunteers worked well in cooperation and thus the drive's completion was achieved with success.

## THERIVU NADAKAM

On 1st October, 2016, the students successfully completed a street play on the topic Swaach Bharat – Clean India campaign. The students enacted various roles depicting the possible ideas, ways and methods for a clearer tomorrow. A total of 80 participants were involved in the program. This was well appreciated among the public and the motive of spreading the message was successful.

NSS REPORT  
HOSPITAL CLEANING

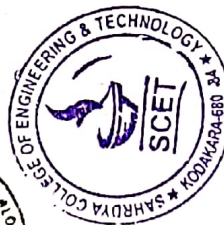

On 2<sup>ND</sup> OCTOBER 2016, a cleaning drive was conducted at Shanthi Hospital, Kodakara.

The NSS volunteers along with the program officer Mr. Veenus Paul together directed the NSS volunteers to set out to clean the hospital in the general ward to safely dispose the wastes so as to greatly reduce the spread of diseases and eradicate the issue related with their disposal. This drive was achieved in completion with success.

## Orientation programme for NSS and reconstitution of executive members

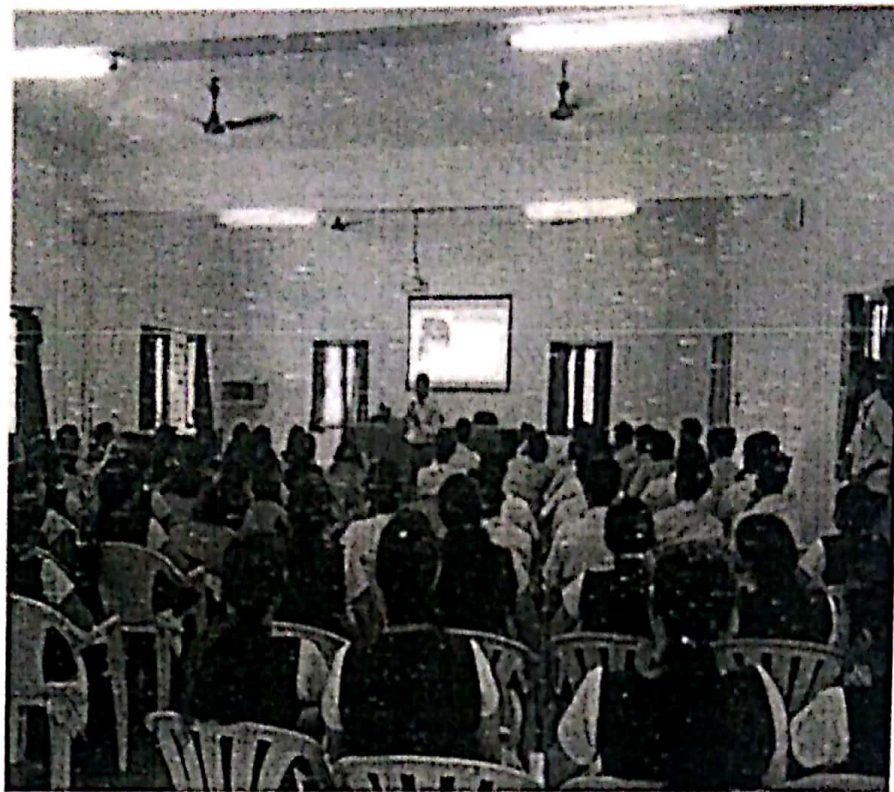

October 29th 2017

On October 29th 2017, the NSS volunteers of Sahrdaya College of Engineering and Technology, Kodakara conducted an orientation programme about personality development. The programme began with Ms Haritha Ashok (S3 CS) giving a warm welcome to the guest speaker Mr Biju Kaliyadan, making him feel welcome. The programme was inaugurated by Rev.Fr.Msgr.Prof.Dr Lazar Kuttikadan (Manager & Executive director).

The main objective was to ensure that our volunteers have the personality, exposure, skill and self confidence to take on the most urgent challenges. The personality development program was oriented towards developing students into exceptional communicators, negotiators& eventually leaders.

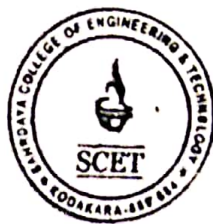

The vote of thanks was given by Gautham T Ajit (S3 Male volunteer secretary).

# **SBSI ACTIVITY REPORT**

**(15/07/2018 - 31/07/2018)**

## **1. Hospital Wall Painting (15/07/18 – 18/07/18)**

The SBSI activities were started from Puthukkad Taluk Hospital and Mattathoor Health Center. The buildings were painted by the SBSI volunteers in 4 days. The first two days were spent at Puthukkad Taluk Hospital and next two days were at Mattathoor Health Centre. Four buildings including walls and window grills were painted during this activity. From this activity an asset of 1 lakh rupees was created.

## 2. Premises cleaning at Kodakara Health Center (20/07/18-23/07/18)

The SBSI volunteers cleaned the surroundings of Kodakara Health centre. Volunteers worked for 4 days for cleaning the 60 cent of land and setting up the plantation in the cleaned land. Medicinal plants and tapioca were planted on cleared area. The hospital staffs were highly supportive towards this activity.

### 3. Rally (26/07/18)

The SBSI volunteers organized an awareness rally at Kodakara town in association with Sahrdaya College of Engg. & Tech, sensitizing the public about the harmful effects of the plastic waste. The first-year students consisting of more than 400 students and 18 teachers participated in the Swachhta Rally. Students were provided with pluck-cards and slogans against plastic use were announced throughout the rally. The pre-preparations were made on the previous days by SBSI volunteers by creating pluck cards for more than 400 students.

#### 4. Waste collection Drives and Segregation of solid waste (26/07/18)

After the rally, students were redirected to collect the plastic and paper waste around 15 places under Kodakara. Groups of 20 students along with a teacher were given big waste collection bags to collect the waste. Students collected more than 60 bags of waste from houses, shops and the roadsides. After the program, the waste was collected back to the school where the plastic waste and paper waste were segregated and given to Apollo tyres

## INDEPENDENCE DAY

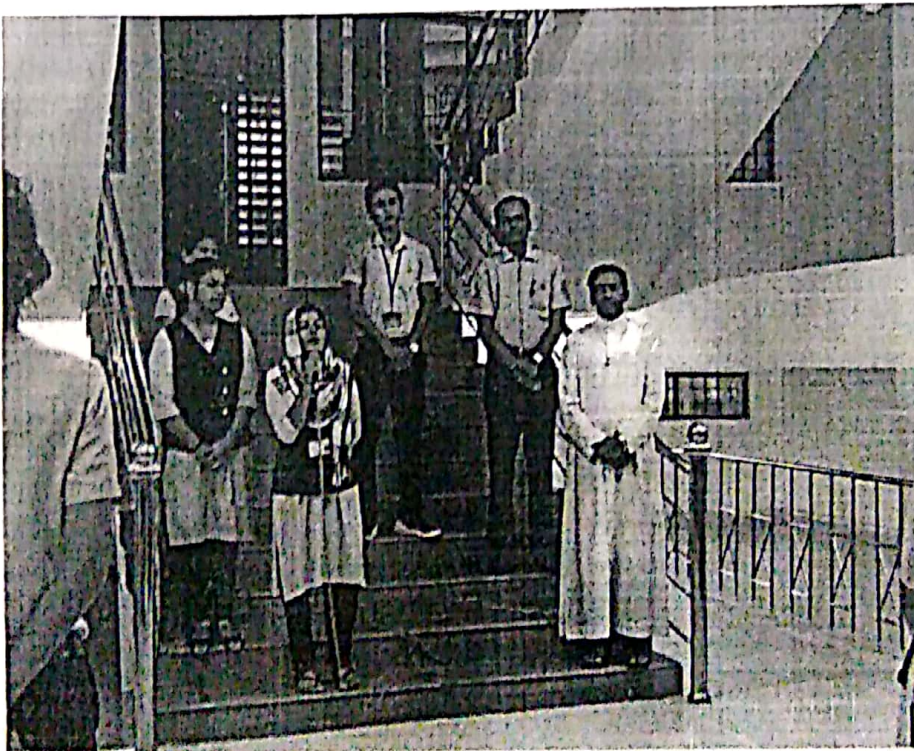

15<sup>th</sup> August 2018

NSS volunteers and all other students in Sahrdaya College of engineering and technology celebrated Independence Day with unprecedented patriotic fervour on August 15<sup>th</sup>, 2018.

The gamut of celebration activities held on the campus consisted of special morning assembly, flag-hoisting. Our executive director Rev.Fr George Pareman and student representative together hoisted the Tricolour.

The National Anthem echoed in the entire campus.

Our principal Dr Nixon Kuruvila gave a speech reminding the students and teachers about the sacrifices made by our great freedom fighters. NSS volunteer Ashiba Basheer delivered vote of thanks. At the end students were distributed sweets.

## Conditional Survey Report on Flood Affected Area

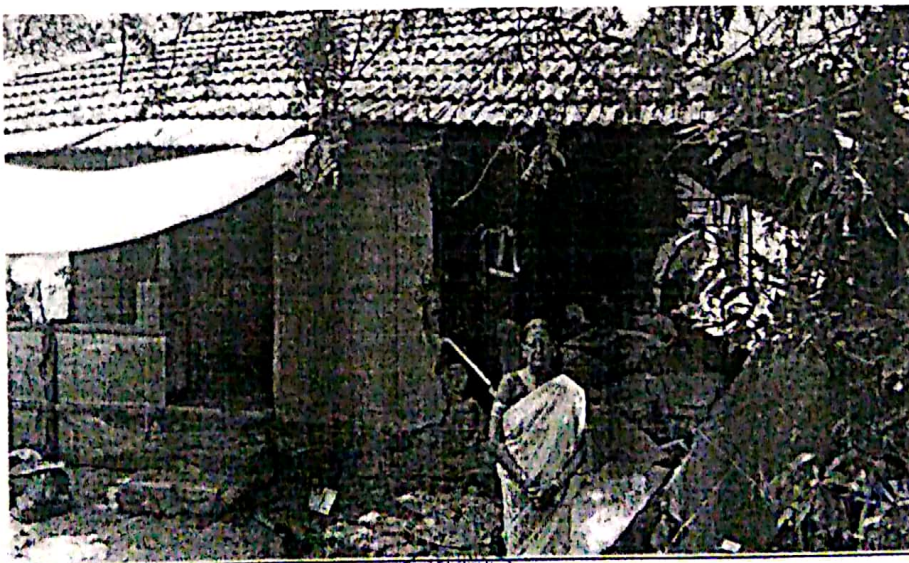

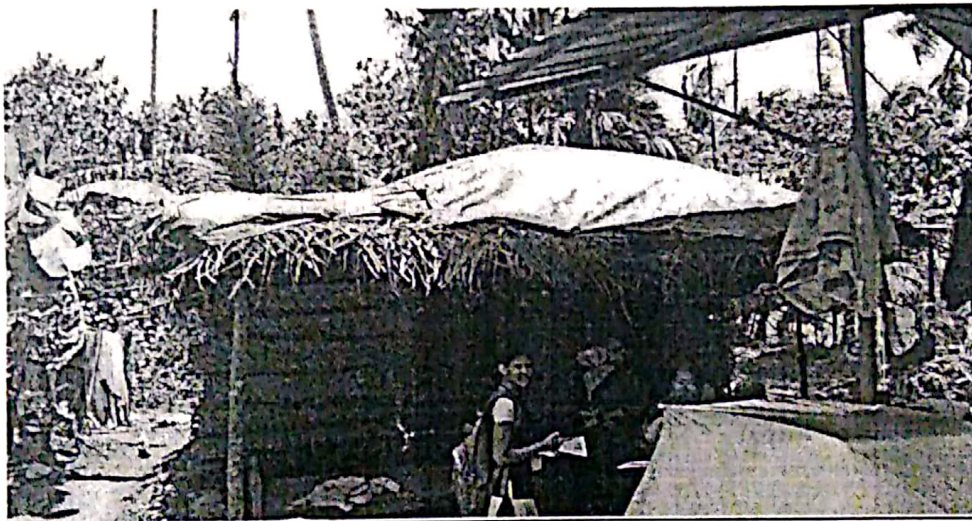

30/08/2018 to 01/09/2018

### CONDITIONAL SURVEY REPORT IN FLOOD AFFECTED AREAS

From August 30-September 1, we the students of Sahrdaya College of Engineering and Technology conducted a Rapid Visual Screening of Buildings & Conditional survey in flood related areas. The survey was conducted in the houses of 3 Panchayats namely, Aloor, Parappookkara and Kodakara.

We have covered 2500 houses in Parappookkara Panchayat, 1650 houses in Aloor Panchayat and 900 houses in Kodakara Panchayat. 400 students and 100 faculties (teaching and non-teaching staffs) participated in the survey.

We submitted the documents and photographs related to the survey to the respective panchayats.

### Repairing of motor pump sets:

Students of college repaired the motor set at free cost which has been damaged during flood days.

### Contaminated water testing:

✓ Samples of water collected from water resources in the flood areas including public places and different houses and tested. After testing, the amount of contamination of water was found precisely and also gave the instruction to purify the water

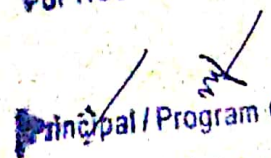

### House cleaning:

During the rehabilitation days, many students of our college actively participated in the cleaning process of 15 houses including houses of faculty members of our college.

## TEACHER'S DAY CELEBRATION

5<sup>th</sup> September

The birth date of the second President of India, Dr.Sarvepalli Radhakrishnan, 5 September 1888, has been celebrated as Teacher's Day.

We NSS unit of Sahrdaya college of Engineering and Technology conducted a special assembly on teacher's day. Our volunteer secretary gave a brief introduction and wished all our beloved teachers. We, all the volunteers of NSS unit prepared special gifts own our own and gifted to the principal and all the head of departments in the assembly. Also we prepared a special presentation that conveys the real essence of Teacher's day and gifted a video including all the memorable movements we had with our beloved teachers.

Then NSS volunteers of each department conducted various programs in their own department. First of all we welcomed all our faculties to the corresponding decorated seminar halls by giving a flower that shows our affection towards them. One of the NSS volunteer addressed the gathering and requested each one to share their memorable moments in their teaching career. Then we conducted various games that brought them back to their college time.

## NSS DAY CELEBRATION

24<sup>th</sup> SEPTEMBER, 2018

On the occasion of NSS day, 24<sup>th</sup> September we conducted a special assembly started by singing NSS song and our NSS volunteers conveyed a speech on the importance of National Service Scheme.

The entire NSS volunteers were assembled and there held a talk by our executive director Rev. Fr. George Pareman. After that we all NSS volunteer prepared posters based on importance of social service and we exhibited in every class room notice board. And then we updated our NSS notice board by including the activities held in that day.

## **SOCIAL EXTENSION ACTIVITIES BY DEPARTMENTS**

EEE Department organized a one day internal internship programme at BVMHSS, Irinjalakuda for Plus two students in order to get them acquainted with the features of various electrical appliances used in day to day life on 9/8/18.

1. EEE Dept. organised free Motor Pump service Camp in connection with Kerala Flood relief during 1st September to 15th September 2018 at Sahrdaya College of Engineering Technology, Kodakara.
2. On behalf of AESON, EEE Department donated LED Rosary to the college on 5/10/18.
3. School Visit in Koratty Little Flower School on 26/12/2018 for enlightening school students with technical knowledge.
4. EEE department conducted a two day summer training program on LED Bulb Making & Solar Power Systems for plus two students on 14/05/2018 & 15/05/2018.
5. EEE Department conducted Led bulb making workshop at St. George HSS Pariyaram as a part of NSS camp on 28/9/2019.
6. EEE Department in association with KSEB officer's association conducted college level (Level I) competition of power quiz 2019 at Sahrdaya College of Engineering & Technology, Kodakara on 03/10/2019.
7. An introduction to Matlab session for HSS teachers was done by Dr. Gopakumar P & Mr. Anoop V P, as a part of Ganitha 2K16.
8. Gibin Mathew P of S8 EEE, 2016 batch presented a paper on "Power Augmentation in Kerala issues, challenges & solutions" in the district level seminar competition organised by the KSEB engineer's association with the support of IEEE power & energy society kerala chapter on 27/1/2016 & secured third position among the participants.
9. The research work of Dr. Gopakumar, Associate Professor in EEE department is selected among the "25 outstanding Research in India" and received Rs 60,000/- from Power Grid Corporation of India
10. As a part of Academic Enrichment program, EEE dept conducted an industrial visit to CIAL, Nedumbassery for faculties on 18/12/2015.

11. In connection with Energy Conservation programme in Kodakara panchayath, Mr. Sebin Davis K. conducted an awareness talk on “how to use energy more effectively” for KudumbaSree members in the presence of Rev. Fr. Antu Alappadan on 01-03-2015 in the auditorium near muthuparambil temple.

12. On 11th July 2014 six students of S5 EEE conducted a one day workshop on “Electricity” for high school students of St. Thomas HSS Eangadiyur, Thrissur.

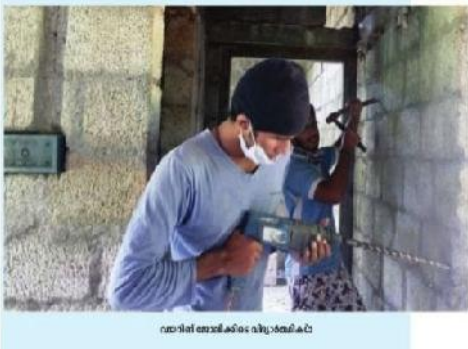

13. As a commitment to the society Mr. Christo Davis and team of S5 has done the Electrical wiring of a house in Irinjalakuda during the month of October & November.

14.As part of Social Extension Program the students of S5 EEE made LED bulbs and gave it to families of Kodakkara Panchayat.

- A group of 12 students from 7<sup>th</sup> semester biomedical engineering had visited **DIVYA KARUNYA ASHRAMAM** which had a total of 65 inmates of all age groups. They donated 30 kg of rice, gifts, clothes, ice cream and drinks on 24<sup>th</sup> September 2014.
- As part of our social outreach program, Prof. Dr.Asha ND conducted a class on the topic “Heart Diseases and ECG” for the students of St.Antony’s Higher Secondary School, Pudukad on 11th of August 2015 .This two hour session was highly informative and motivating for the students.
- EBSA in connection with NSS unit conducted a blood donation camp on 4th of September 2015.Around 150 students joined the campaign and donated their blood.The program was conducted in the auditorium for which the Executive Director Rev.Fr.Antu Alappadan presided and inaugurated the meeting.The welcome address for all the campaigners was given by Mr.Havinash of C.S department which was followed by an awareness talk by Mr.Seby Vallachirakkaran on “Blood and Blood Donation”.
- Mrs Jisha P,Assistant Professor of BME, conducted a session on “career aspects of Biomedical Engineering “ on 17/2/16 as part of the social extension program from 2:30pm to 4:30 pm at govt.vocational higher secondary school,Nandikkara.The session focussed on the future prospects and scope in biomedical engineering .
- A visit to Jeevodaya Orphanage for senior citizens (men) at Mookanoor, Angamaly was organised as a part of social outreach program. Students of S4,S6 and S8 along with Reshma Ma'am volunteered to spend time and interact with them. This visit helped the students to understand the plight of senior citizens and develop an empathetic attitude towards them.
- Four students from sixth semester Biomedical Engineering accompanied by Ms. Jeenu Jose from Electrical Department visited St. Mary’s Higher Secondary School, Kuzhikattussery and took a detailed session on Design Engineering to the plus two students from 9 to 12 on 14/1/2018.
- Two students from sixth semester Biomedical Engineering accompanied by Mr. Kiran Philip Issac from Biomedical Department visited St. Sebastian Higher Secondary School,

Kuttikad and took a detailed session on Design Engineering to the plus two students from 9 to 12 on 24/1/2018.

➤ Two students from sixth and fourth semester Biomedical Engineering accompanied by Mr. Kiran Philip Issac from Biomedical Department visited Samootham High School, Pariyaram and took a detailed session on Design Engineering to the plus two students from 1 to 4 on 31/1/2018.

➤ Mr. Kiran Philip Isaac visited Model Technical Higher Secondary School, Kaloor, Kochi on 12-10-2018 and Technical Higher Secondary School, Govt.Boys HSS Campus, Aluva on 15-10-2019 and interacted with the students as a part of Science Popularization program.

➤ Talk on “**e-waste management**” by Mr. Kiran Philip Isaac to Sahridaya College of Advanced Studies, Kodakara (SCAS) students

# SAHRDAYAM

Civil Engineering is the Engineering of society where the day to day requirements of the human beings and protection of environment falls in the hands of civil Engineers. The fundamental requirements food, shelter and clothing is taken care off. Various Engineering Departments like PWD, Housing board, Agriculture, Irrigation Departments.

Civil Department of Sahridaya College of Engineering is also fully aware of the vision and mission of the Civil Engineers. It is a part of our social commitment and the societal requirement of housing the poor, we have a social extension activity called Sahridayam.

Sahridayam 16-17 completed a house at Puliparakunnu Kodakara for an extremely old and disabled widow of 80 years called Valiyamma and her differently abled son. A fully serviced house of 40sq.m was built costing 2 lakhs. Contributions towards the expenses was donated by students, parents, management and well wishers. Around 9 Faculty members and 100 students participated in this program from Civil Engineering Department.

Photo taken during the foundation laying of Mrs.Valiyamma house construction

Sahridayam 18-19 constructed a fully furnished home for Mr. Kunjappan and family Velliyathuparambil, Porunnukunnu, Aloor. Under the leadership of Civil Department having a plinth area of 60 Sq.m costing 5.3 lakhs. The expenses were met from the Flood Relief Fund contributed by the faculty of the college and wellwishers. In around 9 faculty members and 120 students participated in this venture.

Photo taken during the blessing of newly constructed house to Mr. Kunjappan

Sahridayam 19-20 again a house reconstructed for Mrs. Karthu Vellattu House, Karoor Kodakara. It was fully damaged due to 2018 flood. The house has an area of 60 sq.m expecting an expense of 5.3 lakhs. The house is under finishing stage. The contribution from Sahridaya Faculty Flood Relief Fund (2.5 lakhs) faculty, students and well wishers is a source. In around 9 faculty members and 120 students participated in this venture.

Photo during the concreting stage of Mrs. Karthu, Karoor Kodakara
