

ALUMINI INTERACTION REPORT OF ECE DEPARTMENT

October 2015

REPORT

Mr. Arun P. (2006-2010 batch, ECE) who is an Engineer in Tata Elxsi, Trivandrum came to the campus on 17/10/2015 to share his experiences during college life and industrial life with the fifth semester students.

He had a discussion with the students, in which the students were told about the usefulness of different activities conducted in the college. He also had a session with the students in which he discussed about basics of embedded system design.
