# ALUMINI INTERACTION REPORT OF ECE DEPARTMENT

---

July 2015

# REPORT

---

On 11/07/2015, Mr. Vinu Varghese (2006-2010 batch, ECE) who work as Associate in CTS, Kochi interacted with the third semester students of ECE.

He conveyed with the students, the importance of basic engineering subjects and how the students will find it useful to sharpen their technical skills once they get into any recruitment process. The students had an active interaction with them. They also clarified their doubts on careers in electronics and communication engineering.
